

## SSO Login

## **Pre- requisite:**

The Microsoft account used for SSO login must match the one registered in the application's User Management. If the email is not registered, you can add it using the Add User option in the User Management.

## **Steps to Login:**

1) Navigate to the PriceIntelGuru login page and click on "Sign in with Microsoft".

2) You will be redirected to the Microsoft Sign in page.

- 6) A "Stay Signed In?" prompt will appear. This prompt gives you the option to remain signed in, reducing the number of times you're asked to sign in.
  - Click "Yes" if you want to stay signed in on the device. This is convenient if you use the application frequently and want to avoid repeated logins.
  - Click "No" if you prefer to sign in each time, you access the application. This can be more secure, especially on shared or public devices.
